

Why WBL matters

Connecting learning and work

01 LEARNING WITH PURPOSE

Work-based learning (WBL) connects academic learning with workplace experience, helping students develop skills relevant to their future careers.

02 QUALITY BY DESIGN

Support better WBL through clear learning outcomes, effective supervision, assessment and practical quality assurance tools.

03 STRONGER PARTNERSHIPS

Bring higher education and industry together to design learning that responds to professional practice and labour market needs.

Who is it for?

Resources for education and industry

HIGHER EDUCATION

Academic coordinators, supervisors and staff strengthening the design and delivery of WBL.

INDUSTRY & COMPANIES

Workplace mentors and employers supporting meaningful learning, supervision and skills development.

STUDENTS

Learners benefiting from stronger links between academic study and professional practice.

POLICY MAKERS

Decision-makers exploring WBL policies, quality standards and education-industry cooperation.

An Erasmus+ cooperation partnership

Three free CPD courses

Continuous professional development

01

Academic coordinators

Plan and manage WBL activities, develop employer partnerships and coordinate support for students.

02

Academic supervisors

Guide and motivate students through WBL, with practical approaches to supervision, communication and engagement.

03

Company mentors / tutors

Support learning in the workplace through effective mentoring and a focus on meaningful learning outcomes.

Learn. Apply. Improve.

A European partnership

VITECO (Italy) · INOVA+ (Portugal)

KNIGHTS College (Malta) ·

TU Dublin (Ireland)

Evidence & insights

Four countries. Shared learning.

Four national reports and a consolidated analysis explore WBL policies and practices in Ireland, Italy, Malta and Portugal. Discover examples, challenges and recommendations to inform your own approach.

Quality Assurance Toolkit

Practical guidance for better WBL.

Explore quality criteria, assessment and monitoring guidance, draft partnership agreements, self-assessment tools and student feedback questionnaires. Adapt the resources to strengthen collaboration and continuously improve WBL provision.

Six redesigned programmes

Putting WBL into higher education.

The Programme Identification & Redesign Report presents six programmes from KNIGHTS College and TU Dublin, with WBL interventions developed through engagement with academia, industry and students.
